

# LA VOIX

## THANK YOU!!!!

Our winter revival has been an astounding success! Thanks to all those who participated with time, offerings and special support. The outpouring of love has been a godsend and has inspired us to greater heights in our endeavor to serve the Lord. We have received request for literature from as far away as Cypress. Praise God! And now new radio stations are soliciting the VOHIC to broadcast on their stations. It is a wonderful thing to see the gospel be carried out right in front of our eyes and a great blessing to be a part of it.

## UPCOMING EVENTS

With the current economic downturn many families are struggling with problems like never before. The prayer requests we are receiving on a regular basis are overwhelming and stress in the household is at an all time high. This has prompted a plan for a special week of broadcasts dedicated to families, March 29th through April 4th. Pastor Ronald has agreed to provide the spiritual message and we are very excited that he has agreed to participate in what is to be a blessed event.

The Voice of Hope needs your support. Daily we receive request for bibles, bible studies, literature, sermons from past broadcast and books. The cost of these items can be overwhelming but God has always directed us and we have been able to fill the need. As our ministry grows, the need is even greater and our budget is meager. Now we have the opportunity to expand to new listening areas and for this we need your help. The good word says in Matthew 24:14, "And this Gospel of the Kingdom will be preached in the whole world as a testimony to all nations, and then the end will come." Now is the time to stand and be counted, to reach out to those in need and share the good news to a sin weary world. Please remember this ministry in your prayers. We are thankful for any donation you might be prompted to give and your help is greatly needed and appreciated. Remember, "If God be for us, who dare stand against us?" So stand with us today as we seek to do the Lord's will in spreading the Gospel.
