

LA VOIX

GETTING READY!

The VOHIC is getting ready for the upcoming family emphasis week. We will be broadcasting every night starting March 29 through April 4 and we are pleased to have Pastor Ronald Jean Baptiste provide the spiritual message focusing on the family. With the current economic downturn families are struggling with problems and we hope to address these issues with biblical assurance and hope. Six radio stations will be carrying our message and as always, we will be on the internet at www.thevoiceofhope.org. Don't miss this exciting event.

FEELING THE SPIRIT

We are receiving an over abundance of prayer requests on a daily basis. People are struggling and what better thing to do then turn to the Lord for help. We are sending out literature nearly as fast as we receive it and the need for French bibles is still not being met. Myrlene Philogene will be starting bible studies this week with listeners who have requested the VOHIC help lead them in their spiritual journey. We are also getting responses from people in Haiti who are hearing the word through our broadcast!!

The Voice of Hope needs your support. This upcoming Family Focus Week will be carried on **six** different radio stations from here in Naples to as far away as New Jersey. On air time is expensive and we have negotiated a special rate far lower than the standard. We could use your help in funding this very important emphasis week. We are looking to raise about \$4,500.00 to cover all the expenses associated with air time, literature, shipping and postage and bible studies. Remember all the staff donate their time to this ministry and 100% of your donations go to the need. Your donations are tax deductible as well. We have given out all our French bibles and are in need of many more. We need bible study materials, envelopes, writeable CD's, postage and the list goes on. The Lord is blessing us in such a way that it is consuming our resources at a rapid pace. Praise God! Please remember the VOHIC in your prayers and keep us close in your heart as we strive to do that which the Lord has asked. Your support is great appreciated.
