THE SPIRIT IS TOUCHING HEARTS AND MINDS

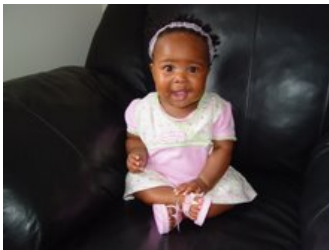

We are continuing to receive request for literature of all kinds. Bibles in French, bible studies books on health principles etc. Now that we are broadcasting on the web we are getting prayer request from as far away as Haiti itself. We are developing quite a following in this area and our brothers and sisters there are thirsting for the gospel. The need is great and our resources are limited.

WHAT ARE PEOPLE SAYING ABOUT THE VOICE OF HOPE?

Kaitlyn is Marlene's Baby girl

... I have always wanted to do more within my community and I was truly encouraged when I met Brother Philogene. We were on vacation last July and chose to visit Bro. Philogene's church that Sabbath. My family and I decided to go out and assist Brother Philogene and a few others with feeding the homeless. It was a wonderful experience feeding my homeless brothers and sisters and praying with them. Brother Philogene then invited us to his home where we learned about the ministry of Voice of Hope. I pray the Lord will continue to bless your ministry.
