Testimony—One of our listeners from New Jersey had several Christ centered books for years and had been moved several times to follow the Lord, but would fall away. After listening to the VOHIC, he is diligently studying with us and calls the studio several times a week during the broadcast.

Continuing Need—The Voice of Hope needs your support. The upcoming 2 week revival will be carried on six different radio stations from here in Naples to as far away as New Jersey. We could use your help in funding this very important revival. Remember all the staff donate their time to this ministry and 100% of your donations go to the need. We send Bibles, CD's, Bible Studies, and books and gratefully, we use our supplies quickly. Your donations are tax deductible as well. Your support is greatly appreciated.

Pray for the VOHIC that our message will touch the hearts of all who listen and it will be spread far and wide.

"May the God of Hope fill you with Joy and Peace." Romans 15:13
