**Discover the Bible**—Due to the generosity of a donor family, we are now able to re-offer the Discover Bible Series and have 22 people discovering more about God through this series.

**Continuing Need**—The Voice of Hope needs your support. The upcoming 2 week revival will be carried on six different radio stations from here in Naples to as far away as New Jersey. We could use your help in funding this very important revival. Remember all the staff donate their time to this ministry and 100% of your donations go to the need. We send Bibles, CD's, Bible Studies, and books and gratefully, we use our supplies quickly. Your donations are tax deductible as well. **Pray for the VOHIC**—that our message will touch the hearts of all who listen and it will be spread far and wide. **We are on Facebook** —Look for us at "Voice of Hope in Christ".
